## PROTECTING YOUR INVESTMENT

All cattle become the risk of the purchaser as they are sold. As noted in the front of the sale catalog, we highly recommend you take out insurance on your purchases. To protect your investment, insurance will be offered and can be purchased at the clerk's table during settlement. The cost of this insurance is minimal compared to your investment. We encourage all buyers to purchase it to cover the animal for at least the first year of your possession.

## TEMPERAMENT STATEMENT

Temperament is a high priority on our desirable traits list, and we have culled our cattle for generations on temperament. However, for all interested bidders we do want to note that lots 9, 10, 13, 36, 58, 72 and 86 can get excited when sorted off by themselves. As always, we will stand behind our cattle. If you have problems with any of the lots, please let us know.

*Thank you for your interest!*
